

Problem Solving for Immunization Programs Michael McQuestion

Extra Credit 2: U.S. Immunization Program CASA/AFIX

Instructions

1. You will use the National Immunization Program (NIP) Web site for this extra-credit exercise. The URL address is <http://www.cdc.gov/nip/>
2. Click on the link for AFIX (Grantee Assessment) under NIP sub-sites.
3. Review the section titled "Helpful Hints for those using AFIX" as well as the section titled "Answers to HIPAA questions regarding AFIX & VFC provider site visits." You may also review the AFIX process on the Web site.
4. Now imagine you are the supervisor of a clinic/practice and have received your clinic's immunization services analysis using CASA. Using your results from the CASA exercise, please submit a 1–2 page paper on how you would implement AFIX.
